

Funtastic Club is based at Christchurch Infants School and provides a high level of care for your child before and after school, as well as during school holidays and teacher training days. Our team provide a wide range of indoor and outdoor activities for all children aged 4 to 7 years. Our variety develops the children's values and skills and gives them a sense of choice and independence. The children's confidence, imagination and enjoyment are promoted and developed through drama, dance, singing, arts and crafts. We also provide a range of games for all ages and encourage the children to learn new skills and expand their knowledge through participating in a variety of activities. We actively promote healthy eating by providing a balanced breakfast, lunch and snack daily.
